

Hi Riders,

please see the updated draw following. We will be using the nominate system for scoring, so it is electronic and you can get the results on the nominate live scoreboard app on your phone. We will not be doing a presentation at the end of the day this year, but sashes and vouchers will be available for collection once the judges have signed off the scoring - usually around half an hour after the completion of the event. If you do not wish to stay to collect these items, you may address an envelope and leave a coin for the stamp and we can send them on.

We would love to thank our generous sponsors, who have donated vouchers at their businesses as prizes.

Winners will receive a navy sash, small trophy and an \$80 voucher.

Second will receive a burgundy sash and a \$50 voucher.

Third will receive a cream sash and a \$30 voucher.

Fourth to Sixth will receive sashes in teal, sunshine and russet respectively.

The **Judges Choice** prizes this year are also vouchers - all for \$80-\$100 worth of body work for your horse! This prize could be for the best tail, the best sliding halt or the most potential - it is up to the judges across both the classes in their arena and will be decided at the end of the day. Also at the end of the day we will discover who has won the **Highest Point Score**. This prize will be an embroidered rug, which will be delivered in the correct size once embroidered.

Food, coffee and drinks will be available on the day via *Zimi's Place* - please enjoy before, between and after your tests! Some of our sponsors may have displays of their products on site on the day. *St Johns Ambulance* will be in attendance also, but we know we won't be needing them! We have ordered *Snapshot Australia* to take some photographs on the day, so remember to look your best and check their website after the event.

BRC has registered as a Covid Safe 'business', so you will be able to check in on the day by using the *QR code* and the *Service NSW app*. We encourage you **all to check in**, please, and to continue to be covid safe by maintaining social distancing and using hand sanitiser or the hand washing facilities regularly.

Please remember that, whilst this is not an official event, we do still try to run to EA rules - so remember to wear your gloves, make sure your noseband is not tight, you have the correct gear on your horse and you present to the Gear Steward before riding in each test. Callers will be allowed in all tests. You can jump in leg protection boots if you are doing the Prix Caprilli and you should definitely raise your stirrup irons, even if you are using a dressage saddle! Hoof boots are currently still not allowed... All dogs to remain on leads at all times.

We will be using the 2 sand arenas and setting up 2 arenas on the grass. (See the map below and excuse the crude drawing!) ~~The covered arena can be used for warming up. We will set up a few poles and small jumps in there for all to use and will put them away again at lunch time.~~ The covered arena is now out of bounds due to having sprung a leak from underneath. Please use the main grass arena areas for warming up. Any lungeing should be done well away from the competition arenas and horse floats please - the show jump arena is a good place for this, as it is contained. The Gear Steward will be situated at the entry gate to the arenas.

We are certainly looking forward to catching up with riders we haven't seen for a while, hanging out with our equine friends and enjoying our fabulous showground.

We really hope you have a great day competing. If you have any questions, please email the club on [2mybrc@gmail.com](mailto:2mybrc@gmail.com).
