

BRC presents on 20th of OCTOBER 2019:

*An Introduction to Riding Cross Country
with Margaret Palazzo*

For Financial BRC members ONLY.

About Margaret - Margaret is a CCI-S/L 3* rider and EA Level 1 coach, based in Bungendore, NSW. She is a member of the Equestrian Australia Youth Development Squad and competes throughout NSW and Victoria.

She has worked with green thoroughbreds to upper level dressage, show jumping and eventing horses, and everything in between; as well as training with top riders and coaches like Ben Netterfield and Sam Lyle. She has coached adults and children of all levels, and takes a logical, problem-solving based approach to riding and training.

About the Clinic - You will find out the why and the how of riding cross country safely in this introduction clinic. If you have never ridden cross country before or if you have only just started training over cross country jumps then this introductory clinic is for you.

There will be an opportunity to ride a portion of the XC course in the afternoon for each group as well. Riders will only jump the heights they are comfortable with.
